

### Directions to Azueros

From Panama City, cross over the Bridge of the Americas or the Centenario Bridge to the Interamericana Highway to **Divisa**.

At **Divisa**, you will come to an elevated bridge which you must cross over to reach the road that will take you to **Chitré**. At the entrance of Chitré, you may follow the main road through the town in the direction of Las Tablas, or there is also a road to your right that will take you to the other end of town if you wish to bypass the town.

Once in **Las Tablas**, continue to the end of the road where you will find a park on your right. At this intersection, take a hard left and continue on this road to **Pedasi**, passing Santo Domingo, Guarare, and Poci.

At the entrance of Pedasí, you will find our agency on the right side of the road, just after the Banco Nacional de Panamá. To reach Azueros, follow the main road through the town of **Pedasi**.

Heading out of Pedasi in the direction of Playa Venao and Tonosi, you will drive approximately 3km until you see a sign for **Los Destiladeros** where you will take a left off the main road.

Follow this road to the first fork in the road and make sure to follow the dirt road to the right, over three bridges to nearly the end of the road, about 7 km from the fork in the road. You will see the terracotta red exterior wall of the Villa. Pull up to the second entry door and ring the large cast iron bell. Villa Staff will be expecting you.

Please call the Villa if for any reason you are delayed or if you have any questions along the way. The Villa number is 6678-8555. If you are traveling with a cell phone, please know that it will not work regularly after Las Tablas.
